ENCLOSURES

Subject:- Ranges - Harpanahalli taluk - formation of a new range - drafting of the Chowkie establishment.

SPARE COPIES

In Commissioner's Proceedings R.No.1554 Abk. dated 24-8-35, the formation of a third range in the Harpanahalli taluk was sanctioned. On 31-8-35 the Asst. Commissioner, Bellary Sub Division, directed the Inspector to give effect to the orders; but under date 3-9-35 he reports that the renter of ~~Kurugodu Arrack~~ Kurugode shop of the Bellary taluk has applied for permission to import toddy from Hyderabad and that there is every likelihood of imports of toddy from the H.E.H. The Nizam's territory reviving. He adds that if transport takes place from 1-10-35, a Sub Inspector is necessary at the Chowkie and that the Sub Inspector of Hospet range will not be in a position to do full justice to duties both in his range and the Chowkie. He therefore suggests the appointment of a Sub Inspector for the Chowkie or the conversion of the post of the Head Clerk, Hospet Circle into one of a Sub Inspector. A copy of the Assistant Commissioner's letter is enclosed.

The recommendation for the utilization of the Chowkie establishment in Harpanahalli taluk made in this office R.C. 150/35 dated 25-7-35 was based on the report of the local officers, who stated that no import of toddy was likely to take place and that if any consignments did pass through the Chowkie they might be verified by the Head Clerk of the Hospet Circle Office who would then have to be invested

invested with the necessary powers. In view of the Asst. Commissioner's present report I have wired to the Inspector Hospet Circle to report at what stage the formation of the additional range stands and to direct the Sub Inspector who has been attached to the Chowkie to continue to be in charg pending further orders. I am awaiting his reply. This step has been taken to avoid all inconvenience at the Chowkie should the imports revive. The Asst. Commissioner, Bellary is being instructed to report further as to the extent of import likely to take place and whether the Kurugodu renter is the only applicant. On receipt of his report, a further report will be

2/- The necessity to form a third range in the Harpanahalli taluk still exists. But the actual formation may lie over until the question whether the Chowkie Sub Inspector and establishment could be utilized for the purpose in the circumstances now reporte or whether fresh sanction has to be obtained for entertaining additional establishment for the proposed range is settled. In this connection I might state that the post of the Sub Inspector, Veeravasaram range is still available as it has no been surrendered. A proposal was made in this office R.C. 6 to utilise it in the Madhavaram range proposed to be revived in the Madras Town Circle. This post may be utilised in Harpanahalli taluk but the sanction for an establishment of 1 peons would still be required.

Copy of Bellary Asst.Commissioner's letter R.B.No.658/35 dated 3-9-35 to the Deputy Commissioner of Excise, Northern Divisio

Sub ranges - Harpanahalli taluk - formation of a new range - utilisation of the establishment of Chowkie - transport likely to be made for 1936-37 - reported.

As per orders contained in C.P.R.No.1554 Abk.35 date 24-8-35, I issued instructions to the Inspector, Hospet Circle to direct the Sub Inspector at Hospet Railway Chowkie to hand over the records of the Chowkie to the Sub Inspector Hospet town range and join the newly formed range at Arisikeri. In the above Commissioner's Proceedings nothing is mentioned about the Chowkie work. Though there was no transport during the current lease, there is every likelihook of the transport of toddy being made for the ensuirng lease 1935-36 from 1-10-35 as the renter of Kurugodu shop has already applied for permission, I am forwarding his petition to the Inspector, Hospet Circle for disposal.

If transport takes place from 1-10-35, a Sub Inspector is necessary to issue permits and collect duty. The Sub Inspector, Hospet town range will not be in a position to du full justice to both the duties. I therefore request that Commissioner may be addressed in the matter to sanction a separate Sub Inspector for the Chowkie or converting the Head Clerk's place into that of a Sub Inspector as reported in my R.B.155/35 dated 30-5-35

The Sub Inspector in charge of the Railway Chowkie at Hospet reports that the renter of Kurugode toddy shop of Bellary taluk has been getting toddy from the Hyderabad State from 6--10--35. No other renter has expressed his intention to import toddy from the Hyderabad State. So long as the import of toddy continues the establishment of the Chowkie cannot be withdrawn.

Sanction for the establishment required for the additional range in the Harpanahalli taluk may be obtained. Even if the Sub Inspector sanctioned for Veeravasaram range is utilized in the Harapanahalli taluk sanction for two peons required would still be necessary.

SPARE COPIES...

I enclose copies of letters D.Dis.406-35 dated 26--11--35 of the Inspector Hospet circle and R.B.658-35 dated 30--11--35 of the Asst.Commissioner, Bellary Sub Division. The Inspector reports that at present the renter of Kurugodu Toddy shop is the only one who is importing toddy and that the renter of Hospet Town who had applied for permission to import has not commenced to do so. He ~~xxx~~ thinks it is not likely that there will be any more such imports this year and that the ~~x~~ number of such instances in future years may not exceed five. He recommends that the Head Clerk may be empowered to check consignments and levy duty temporarily for a period of 3 years and that an allowance of Rs.10/- plus a cycle allowance of Rs.5/- or Rs.15/- in all may be paid to him. The Asst.Commissioner agrees with him. The proposal made in this office R.C.150/35 dated 25-7-35 was to empower the Head Clerk of the Hospet circle to check the consignments of toddy transported from one part of the Hyderabad state to another through Hospet, if the transport should revive. It was not suggested that the Head Clerk should be empowered to check consignments imported into the British territory and levy import duty thereon. It was not expected

expected at the time the suggestion was made such imports would revive. There can be no difficulty for the Head Clerk of the circle office to examine the consignments passing through Hospet Railway Station from one portion to another of the Hyderabad State. ~~The~~

The checking of toddy consignments and levying of duty involve scriptory work and the handling of cash. The proposal to empower the Head Clerk to do this may be feasible this year as the quantity imported is small. Should there be a revival of imports on a large scale a full time Sub Inspector will be necessary at the Chowkie. The position is so uncertain that it cannot be confidently said that there will be no need for a Sub Inspector at the Chowkie in future. Any arrangement made should be provisional and not permanent. The suggestion of the Inspector to empower

signments and levy duty as a temporary measure for a period of 3 yea may be accepted. The allowance of Rs.15/- recommended appears to be reasonable considering the responsible nature of the work which the Head Clerk is called on to do.

Copy of Hospet circle Inspector's D.Dis.406-35 dated 26--11--35.

Subject:- Ranges formation- Harapanahalli taluk- Hospet circle

Ref:- Deputy Commissioner's R.C.150 dated dated 24--2--35 and Asst. Commissioner's R.B.No.155/35 dated 30-5-35.

In view of the extremely limited transports through the Chowkie, it is not necessary to maintain a separate Sub Inspector for the Chowkie. In this toddy lease (1935-36) one permit was issued to the renter of toddy shop No.9 Kurugodu of Bellary Circle for 75 gallons and he has been importing toddy reguarly from 6-10--35. Another for 100 gallons was issued to the renter of toddy shop No.1 Hospet on 8-11-35 and he has not commenced to start import yet. It is not likely that there will be any more such imports this year at any rate there will not be many. Even during the coming one or two years the number of permits is not ~~xxxxx~~likely to be more than 5 per year. Toddy is ~~normally~~ usually transported only by goods train and not by passenger train. The goods train (No.418) arrives at Hospet 11-30 A.M. and leaves at 12-5 noon every day. I therefore recommend that the Head Clerk of this circle office may be empowered to check toddy consignments and levy import duty as a temporary measure for 3 years because should there be anylarge increase in the number of imports a special Sub Inspector will be necessary. The Head Clerk will be required to attend the circle office with extreme regularity and will not be permitted to plead the extra work in the Chowkie in extenuation of any default in office work.

2. In view of the responsible nature of the work to be done I recommend that he may be given a montly allowance of Rs.10/- plus a cycle allowance of Rs.5/-. Total Rs.15/- When the Head Clerk is on casual leave, the town range Sub Inspector will attend to the work.

3. The present sanction of 2 peons is necessary as they will be required to be at the Chowkie by turns.

4. There is no transport of toddy from one part of Hyderabad to another through Nospet.

I consider that an allowance of Rs.15/- per mensem to the Head Clerk Nospet circle is enough for attending to the Ghorabi work at Nospet. The Head Clerk may be empowered to sign permits. As suggested by the Inspector in his reference quoted above the proposed arrangement may be tried for 3 years as a temporary measure. The Inspector has dealt with all the points raised in the Commissioner's reference.
